A Little History

Gigi's was inspired by the founder's mother. She is a grandmother to fourteen grandchildren who gave her the name Gigi. She was runner up to Miss Georgia in 1962 and was born and raised in Moultrie, Georgia. Gigi's touch is everywhere in the restaurant from the decor and furniture, to the menu and special cocktails.

Sit back and enjoy our southern hospitality, food, and cocktails created by our amazing team.

As Gigi would say,
"If it ain't southern it ain't coming out of this kitchen!"

Welcome to Gigi's Southern Table

Our family and team here at Gigi's strive to bring the best of the South to the North.

From hospitality, cocktails, and our food, we want to deliver the ultimate southern experience in Central Pennsylvania.
